

WESTHAMPNETT PARISH COUNCIL

Serving Westhampnett, Maudlin and Westerton

Clerk to the Council: Mrs Linda Lanham

Oak Tree Cottage, Claypit Lane, Westhampnett, Chichester PO18 0NU

Tel: 07960 947773 email: westhampnettclerk@gmail.com

www.westhampnettpc.co.uk

Minutes of the Westhampnett Parish Council Meeting held at 7pm on Monday 21st January 2019 at the March C of E School, Westhampnett

Present:

Parish Councillors: Cllr W P Harding (Chairman), Cllr J L Hardstaff (Vice-Chairman), Cllr S Burborough, Cllr R Fabricius, Cllr H Horne, Cllr S James, and Cllr C McLeish.

The meeting was clerked by Parish Clerk, Mrs Linda F Lanham.

Mr Andrew Ball (Rolls Royce Motor Cars Ltd), Ms Ciara Williams (Goodwood Estate), Mr Mark Gibb and Mr Rob Wildeboer (Goodwood Aerodrome), and 42 members of the public also attended.

The Clerk was later advised that member of the press, Kelly Wickham of Chichester Post was also in attendance.

1/19	<p><u>OPEN THE MEETING & TAKE APOLOGIES FOR ABSENCE</u> The Chairman opened the meeting. Apologies received from WSCC Cllr J Hunt, CDC Cllr M Hall and Mr Brad Slingo (Barratt David Wilson Homes).</p>	
2/19	<p><u>DISCLOSURE OF INTERESTS</u> Cllr Burborough (Rolls Royce).</p>	
3/19	<p><u>CONFIRM MINUTES OF THE LAST MEETING held on 12th November 2018</u> <u>RESOLVED:</u> That the minutes of the meeting held on 12th November 2018 are approved by the Council and signed by the Chairman as a true record of the meeting. Proposed by Cllr Fabricius, seconded by Cllr Hardstaff, and all voted in favour.</p>	<u>LFL</u>
4/19	<p><u>MATTERS ARISING</u> None.</p>	
5/19	<p><u>REPORTS FROM EXTERNAL BODIES:</u> including District and County Councillors and local organisations. <u>Mr Andrew Ball of Rolls Royce</u> Mr Ball thanked the Chairman and started by covering the <u>new car park</u>. He advised that the car park is open but testing was still being done, and they need to resolve a few issues with lighting, barriers and inter-linking the 3 car park. The <u>School car park</u> is at final snagging stage, and there some overhanging trees to be dealt with. The School bus is to move to a stopping position in the layby, rather than in Claypit Lane itself. Rolls Royce is working hard to resolve <u>parking</u> in Stane Street. He said there were about 65 cars on the local roads, now about 20. He remarked that there were also about 35 residents cars parked on the local roads as well. He is working with their security staff to improve matters. He had received complaints that an employee was parking in the Roman Walk visitors' space, this is not acceptable. Mrs Ros Craven, a resident, why all employees were not parking inside Rolls Royce. Mr Ball said the local post coded ones could if they lift share, and 2 more are now doing that. He said it is an education process. A resident asked about new staff – what is the induction process? Mr Ball replied that they all receive a 1-day induction and that parking is part of that. Another resident said they could see spaces within the old car park. On the matter of <u>double yellow lines</u> on Stane Street, Mr Ball said Rolls Royce was supporting this with CDC, and that Jeremy Hunt was also working on it with WSCC. It was remarked that these lines should be around corners in Romans Walk and Claypit Lane. It seems the Cycle Lane is delaying work, however that is not accepted. A resident asked if the cars at <u>shift change</u> could be better co-ordinated in the afternoon as the delays are tremendous. There are lots of cars coming out, none going in. Mr Ball said the shifts are organised as Finish shift, gap, Start of shift. Residents complained that the traffic on Stane Street is at a standstill, and the queues go back beyond Sainsbury's into Chichester. There must be greater air pollution as the cars are idling, a resident said, and asked if any noise pollution checks were being done. Mr Ball said that before Christmas the shift changeover period was being squeezed, but that should not be happening now. It was remarked that the extra 200 employees must be making a difference – it affects our lives, there is a constant hum of traffic, and the noisy periods of time at 5-30am and 11-30pm mean that you need to go to sleep early, or very late after the late shift leaves. Mr Derek Marlow, a resident, said there is one continuous lane of traffic coming out, but going into RR it is stationery. Mr Andrew Blanchard, a resident, said the new car park is not successful as parking is still a problem. He saw the bus outside his house for 10 minutes and it did not move. This whole issue has been going on since 2006, and he asked the residents why they had not been at meetings before? Mr Bob Holman, a resident, said RR knows the answer is that all employees should be in the car park. They are ruining grass verges which are now churned up with mud, and everyone in the village is very annoyed. He said RR won't tackle it head on. Mr Ball said that if they are parked legally they cannot do anything about it. Mrs Caroline Moth, a</p>	

<p>5/19 Cont.</p>	<p>resident, said that the police do not view parking on the pavement as an offence. Mr Ball said he would continue to try to sort it out. Mr Holman asked why RR did not insist that all the staff park on site. Mr Ball said there are not enough spaces for all. Mr Marlow remarked that the 2 shifts flow in and out is made worse by the on street parking. He said that Jeremy Hunt could organise a TRO for double yellow lines. A resident remarked that as it is now the lorries have to slow down due to the parking, and go ahead around the wrong side of the bollards. Mr Ball stated he would take all the crossover issues and speak to the team about them. Cllr Hardstaff asked if there was a planning condition regarding local staff originally imposed on the original application? Mr Ball said the Green Travel Plan was approved by CDC. A resident asked if pollution was included within the Green Travel Plan. Mr Keatley, a resident, said no viable method has been offered and the Green Travel Plan was not fit for purpose. Mr Ball said staff could go through the appeals process and that lift sharing works well.</p> <p>Cllr Harding then closed this discussion.</p> <p>Ms Ciara Williams had nothing to report this time.</p>	<p><u>AB</u></p>
<p>6/19</p>	<p><u>MEMBERS' REPORTS:</u> To receive reports from Members where not covered in agenda below.</p> <p>None</p>	
<p>7/19</p>	<p><u>REQUESTS RECEIVED BY PARISH CLERK</u></p> <ol style="list-style-type: none"> 1. <u>Goodwood hedges:</u> – Goodwood had kindly dealt with most of the hedge requests, with only the Rolls Royce path being outstanding. Ms Williams is looking into that at present. 2. <u>Cut back hedges in Old Arundel Road:</u> This has been reported to Hyde Housing, and reference number provided. No action has been seen so far, to be chased up. 3. <u>Additional Post Box:</u> Initial enquiries have been made to Royal Mail, and it has to be located at least 0.5 miles from the next nearest post box. Having measured it, the distance is great enough. An application has to be made to another part of Royal Mail. To be actioned. 4. <u>Lights on the Village Green:</u> PC6 still not got correct colour bulb, and the entire pole is to be changed for a hinged one. To be chased up. 5. <u>Bus Survey:</u> The Parish Clerk wrote to WSCC in regard to Compass service bus 99 being permanently diverted via Westerton, and this was acknowledged. No further news. 	<p><u>LFL</u></p> <p><u>LFL</u></p> <p><u>LFL</u></p>
<p>8/19</p>	<p><u>PLANNING MATTERS: To receive a report on recent planning applications</u></p> <p><u>Assessment of Planning Applications by the Parish Council</u></p> <p>Cllr Hardstaff stated that the process adopted is that the Clerk receives the planning notifications, and these are circulated to all the Parish Councillors. The Parish Council makes comments in email format, and the replies are co-ordinated by the Clerk. Once a form of words is agreed the Clerk then submits those words under the logon of the Parish Clerk on behalf of the Parish Council.</p> <p>Should the Clerk wish to make a comment herself, she would submit her words under her own name.</p> <p>Cllr Hardstaff added that anyone wishing to make a planning application is invited to talk to the Parish Council beforehand if they so wish.</p> <p><u>Planning Applications:</u></p> <p><u>WH/18/03318/ADV & WH/18/03319/ADV</u></p> <p>Land Off Madgwick Lane Westhampnett West Sussex – 2 sets of signage for Barratt Homes and David Wilson Homes</p> <p>1 no. MSM sign, 5 no. flag and flag pole signs, 1 no. SSM signs, 3 no. SSS signs, 2 no. House Plaque signs, 1 no. Fascia signs, 1 no. opening hours vinyl and dots, 1 no. sales clock, 1 no. post box and brochure holder and 1 no. gable end letters for 1 Madgwick Park Barratt Homes Sales Arena signage for a Development of 300 Dwelling units.</p> <p>1 no. MSM signs, 9 no. flag and flag pole signs, 1 no. SSM sign, 2 no. SSS signs, 6 no. SSS signs, 2 no. house plaque, 1 no. fascia sign, 1 no. opening hours vinyl and dots sign, 1 no. sales clock, 1 no. post box and brochure holder and 1 no. gable end letters for sales arena pertinent to Madgwick Park scheme for 300 dwelling units.</p> <p>The Parish Council has No Comment.</p> <p><u>WH/18/03299/DOM</u></p> <p>Pampas Cottage Claypit Lane Westhampnett Chichester - Detached double garage, security gate and fence to frontage.</p> <p>The Parish Council OBJECT to this application for the following reasons:-</p> <ul style="list-style-type: none"> • The proposed removal of the existing hedgerow is out of character with the existing rural locality. • It is contrary to Westhampnett Parish Council's policy of retaining existing hedgerows wherever possible. • Loss of habitation for wildlife and birds. • The proposed boundary wall with fencing panels and security gate is out of character with the existing rural locality. • It is difficult from the drawing to ascertain the exact position of the proposed double garage; however it appears to be in front of the building line for other garages in Claypit Lane. Westhampnett Parish Council would not wish to see any structure nearer to the lane than existing ones. 	

8/19 Cont.	<p>Westhampnett Parish Council also wish to COMMENT as follows:</p> <p>In the event of the proposed double garage being permitted, the use of the garage should be restricted to the non-habitable use by the householder.</p> <p>Any front boundary fence/wall should be sited within the existing garden with sufficient distance from the existing hedgerow to allow it to continue to grow and be maintained.</p> <p><u>WH/18/02003/FUL</u></p> <p>Greytiles Claypit Lane Westhampnett PO18 0NU - Demolition of existing garage, construction of additional dwelling and associated works, subdividing plot.</p> <p>Revised application on 14/12/18 which shows a change of orientation of the proposed dwelling.</p> <p>After careful consideration of this revised proposal following the Withdrawal of the first application WH/17/02577/FUL, and the Refusal of the second one 18/00364/FUL, the Parish Council would still like to make the following Objections:</p> <ul style="list-style-type: none"> • The proposed dwelling is sited adjacent to the south side of Grey Tiles, at the rear of the plot and directly behind 'Camelot'. • This is 'backland' development and would have an un-neighbourly impact on the adjacent property Camelot, which is directly in front of the proposed dwelling. • Claypit Lane is a rural area; properties on either side of the lane enjoy the benefit of large gardens; increasing the density in the manner proposed is an urban solution and would change the character of the locality. • It is un-necessary in terms of housing provision within the Parish. The housing allocation for Westhampnett identified in the adopted CDC Local Plan fulfils the requirement until 2029. • Additional housing identified in proposals currently being considered by CDC to increase this allocation can be fully met by alternative sites within the Parish. <p><u>WH/18/02225/FUL</u></p> <p>Maudlin Mill Sidengreen Lane Maudlin Westhampnett - Provision of 2 no. industrial units (B1/B2).</p> <p>Further to the receipt of a letter from Director of Planning and the Environment, Andrew Frost, dated 10th January 2019, regarding amendments to the above planning application, Westhampnett Parish Council have reviewed the revised proposals submitted.</p> <p>Westhampnett Parish Council wish to state that the Parish Council's comments from 21.11.18 still apply</p>	
9/19	<p><u>NEIGHBOURHOOD PLAN / LOCAL PLAN UPDATE TO 2035</u></p> <p>Cllr Harding said he attended the Local Plan exhibition at CDC last week, and that he came away no more enlightened. Cllr Hardstaff reported that 50 more houses within the Parish are suggested by CDC, and the areas for these can be defined within the Neighbourhood Plan by the Parish Council. However, a) these areas would still have to be approved by CDC, and to do that the Parish Council would have to undertake an environment study at their own substantial cost and the Neighbourhood plan would be further delayed, or b) the location of these 50 houses can be prepared by CDC in consultation with the Parish Council where CDC pay for the environmental studies, and the Neighbourhood Plan is not delayed. The down side is that the Parish Council would not have so much control.</p> <p>She said the Parish Council must decide a) or b)? Cllr Burborough said there would be a considerable cost, money which would not be invested in the village. Cllr McLeish agreed, and said delaying the Neighbourhood Plan was not acceptable due to the loss of CIL money. The Parish Council all agreed to leave CDC to deal with this matter.</p> <p>Mr Marlow attended the Local Plan exhibition today, and said CDC are under pressure to fit the houses in, and CDC would prefer to see a plan put forward. Cllr Harding said he been to see Valerie Dobson at the exhibition and there were not 50 for Westhampnett in the file he saw. Cllr James said CDC are trying to push costs onto the Parishes, and just how much say do the Parish Council have, as CDC go ahead anyway.</p> <p>A response will be sent to CDC.</p> <p>The Neighbourhood plan is ongoing.</p>	JLH
10/19	<p><u>WSSC / CDC SPACE AUDIT REVIEW OF OPTIONS – PARKING</u></p> <p>Mr Keatley, a resident, asked that in view of the parking issues, was a review planned to be conducted by RR in regard to the impact of their new car park. Mr Ball replied no, not planned.</p> <p>Cllr Hardstaff explained that a great deal of discussion had taken place recently with WSSC Parking Team, and detailed proposals were drawn up, with an official WSSC public consultation to take place from 18th February to end of March. The proposal has double yellow lines and parking restrictions, and she advised that 6 members of the Parish Council had walked the whole area with WSSC personnel. WSSC are now putting together the review and consolidating it with the Cycle Lane plans. She advised that the residents of the private estates of Roman Walk, The Grange, Tilemakers and The Sadlers would need to approach their own Management Companies; they are not covered by this review as they are un-adopted roads.</p>	

11/19	<p><u>CYCLE LANE /BUS SHELTERS</u></p> <p>In regard to the Cycle Lane from Jewson's to Old Arundel Road, on south side of Stane Street, a question has been asked about the regulations for crossing the cycle lane when exiting a property. It was pointed out that people wearing headphones are a hazard as they cannot hear a car.</p> <p>The cycle lane will result in the brick built bus shelter being demolished and the Parish Council were invited to choose a model of wooden bus shelter to replace it. The St Neotts was chosen – this is an enclosed type, with glass on the oncoming bus side, and a pitch roof. It is hoped that these shelters can also be provided instead of the existing open bus shelter by Tilemakers, and the non-existent one near Jewson's opposite Madgwick Park.</p>	
12/19	<p><u>SPEEDWATCH AND SPEEDING IN THE PARISH</u></p> <p>Mr Blanchard gave a brief update on behalf of the Group. He said it is very time consuming entering all the Speedwatch vehicle details onto the computer. Mr Ball said RR had a person available now, and Mr Blanchard said the Group would resume. Cllr James said that in fairness to RR, others should be talked to about their bad parking, as some people just park where they like.</p>	
13/19	<p><u>AIRCRAFT OVERFLYING RESIDENTS HOMES IN WESTERTON</u></p> <p>Mr Mark Gibb Aviation Operations Manager / Head of Goodwood Aero Club and Mr Rob Wildeboer Flying School Manager were in attendance to answer questions.</p> <p>Cllr Hardstaff said that aircraft were overflying homes in Westerton. This is on a regular basis, very low, incoming and often Flying School planes. It is irritating especially for the north side of Westerton Lane, they come in low and this is not good as taking off / landing is known to have a higher possibility of accidents. Should not be over houses; obviously they can see where the houses are – if Goodwood cannot control them then a complaint will need to be made to the Environment Agency. Mr Gibb explained that at present there is only 1 runway, as the other 2 are out of action for maintenance. The pilots are aware of the noise preferred routes (i.e. least noise); the aeroplane has to be lined up with the runway and some turn in too shallow or too late. Cllr Hardstaff said it was not odd days, it was on and on. Mr Blanchard said some of them are over Claypit Lane. Mr Wildeboer said the problem is due to having only 1 runway, being 10/28 which has only been used 5 times in 30 years, and it is now being used all the time as it is the only one. They have taken steps to reduce the impact, when departing on 28, going 10 over Westerton there is a 10 degree turn to the left over the Strettington Solar Farm. But coming in to land they are on low power (almost gliding) if a north wind blowing south over Westerton, then to use less bank is safer than a sharp turn which could cause a stall / spin. They have held a briefing for all pilots on this matter – 4 Cessna's and 1 Piper Cub, and have spread this to all homebased pilots to try to be a better neighbour. Mr Gibb said they had given CDC a briefing in relation to the houses at Madgwick Park. In response to Cllr Hardstaff's complaint they have written to pilots giving the noise preferred routes, and are providing the best possible information to all pilots. Mr Gibb said they do react to complaints. They would begin using runway 06/24 in 4-6 weeks' time (over Summersdale) and the main runway in mid-summer. Cllr Fabricius asked about increases? Mr Gibb said the helicopters had reduced and the fixed wing increased by 1%. There were 31,000 movements last year out of a limit of 70,000 movements per year.</p>	
14/19	<p><u>COMMUNITY HALL</u></p> <ol style="list-style-type: none"> <u>Contract / build progress</u> – a). Cllr Hardstaff reported that the external walls are being started today, the ground floor is complete, and next month it will be internal walls. b) She added that there been a small amount of additional expenditure on the works. c) The costs for the BT Service had increased due to the availability of Fibre Optic Broadband. Both b) and c) are covered under the contingency amount allowed. The completion is scheduled for mid-August. <u>Budget for running for 2019/2020</u> – Cllr Horne had drafted a budget for income and expenditure and it is hoped to break even this financial year. <u>Personnel to run Hall</u> – It was agreed that a meeting is needed to discuss this, and that volunteers would be needed. Mrs Marlow was volunteered by Mr Marlow. Cllr Harding said the Council could not accept remote nominations. The Parish Clerk was asked to arrange the meeting. <u>Survey residents for ideas for groups / use</u> – Cllr Horne asked if he should do a survey? He had lists of activities from other Parishes which was helpful. It was agreed that a new survey was needed, including the current suggestions, and it would be on paper and electronic. 	<p><u>LFL</u></p> <p><u>HH</u></p>
15/19	<p><u>VILLAGE GREEN</u></p> <p>The Parish Clerk reported on:</p> <ol style="list-style-type: none"> <u>Update on the transfer of Land and Funds</u> – the land and the funds are expected to be completed very soon, hopefully in the next couple of weeks. <u>Outstanding items by Bellway – replacement of 3 dead trees / missing trees, lamppost PC6 etc.</u> – these items are in hand with Bellway, and the Parish Clerk will be chasing them up if no action within a couple of weeks <u>Confirmation of the Grass Cutting 2019 season contractor</u> – Bill Burtinshaw of Greenscapes has confirmed he is ready to start mowing / strimming as soon as the season begins. He also confirmed his prices remain as quoted. <u>Provision of Bin on Village Green</u> – this will be provided once the Village Green is owned by the Parish Council. <p>Mr Marlow observed that the grass on the Village Green is poor, very weedy. In order to have a lovely Village Green Bellway should be asked to do something to improve it. Cllr Harding said the Parish Council would look at ways of improving it over the coming months.</p>	<p><u>LFL</u></p> <p><u>LFL</u></p> <p><u>LFL</u></p>

16/19	<p><u>VANDALISM TO WESTERTON TELEPHONE BOX</u></p> <p>Cllr Fabricius reported that on Boxing Day night an incendiary device had been used to destroy the Telephone Box in Westerton. He said there were 8 incidents in the area that night and 3 people have subsequently been arrested and are on bail until 5th February. The Box had only just been repainted and the explosion blew the door off.</p>	
17/19	<p><u>REVIEW OF CHRISTMAS TREE CELEBRATION AND BUDGET/COSTS</u></p> <p>The Parish Clerk confirmed that the event had gone very well, and had come in within the budget of £670.00, at £632.80. This sum to be covered by the NHB 33/17 residue from last year. The 2 Christmas Trees had kindly been paid for by the Goodwood Estate, and thanks were given to them. The trees and decorations had lasted well during the month. Mr Blanchard said he had details of a potential sponsor for the future, and he was asked to email this to the Parish Clerk. Cllr Harding asked that it be noted that the Parish Council recorded its thanks to the organisers of the event – Sara Watkins, Gemma Young, Gael Emmett and Linda Lanham.</p>	
18/19	<p><u>PARISH COUNCIL ELECTIONS 2ND MAY 2019</u></p> <p>Cllr Harding gave advance notice of the forthcoming Parish Council elections to be held on 2nd May 2019. The Parish Council will be allowed 9 Councillors from May, instead of the current 7. He advised that it is very likely there will be at least 1 vacancy plus the 2 new seats, and that the Parish Council will be looking for new candidates. He remarked that Councillors will be given training, and anyone interested should contact the Clerk.</p> <p>The Clerk advised that the Notice of Election will be coming out on 26th March.</p>	LFL
19/19	<p><u>VELO SOUTH 4 PARISHES REVIEW MEETING HELD ON 27TH NOVEMBER</u></p> <p>Cllr Harding advised that there had been a meeting of the 4 Parishes (Westhampnett, Lavant, Boxgrove & Singleton) on 27th November 2018, with WSCC Leader Mrs Goldsmith in attendance. The meeting was to express concern in regard to a possible future event. The 4 parishes would prefer the event does not occur, but if WSCC permit it, then the impact must be mitigated as much as possible.</p>	
20/19	<p><u>COMMUNICATION WITH RESIDENTS OF THE PARISH</u></p> <p>The paper Parish Council Newsletter which was delivered to every property in late November has proved useful. Thanks were given to Cllr McLeish for dealing with it. Several members of the public remarked that they preferred the newsletter to be on paper. Cllr James asked if people had read it, and members of the public attending said they had. Subsequently several emails had been received by the Parish Clerk, especially in regard to Allotments, Activities wanted and being offered for the Community Hall and Volunteers. Mrs Kent, a resident, suggested that the Church monthly newsletter could carry a line in it pointing people to the Parish Council website. The Councillors agreed that would be helpful, and thanked Mrs Kent. It was suggested that, in the future, it may be possible to arrange joint distribution of the 2 newsletters. Thanks were given to Rolls Royce for again printing the A4 double sided sheet. The next newsletter is scheduled for early February.</p>	CMcL
21/19	<p><u>COUNCILLORS BUSINESS, FOR NOTING OR INCLUDING ON A FUTURE AGENDA</u></p> <ol style="list-style-type: none"> 1. Cllr Harding asked the Parish Clerk to circulate the Minutes earlier, and she said she would do so. 2. Councillors asked if it would be possible to have a representative from Viridor at the next meeting to discuss the waste blocking the drains and the Biffa trucks approaching the HWRS from the wrong direction. The Parish Clerk was asked to arrange this. 3. Cllr Hardstaff reminded Councillors that the Parish Council needs to apply for SDNP CIL money by 15th February, and could everyone consider what to apply for. 	LFL LFL ALL
22/19	<p><u>PARISH FINANCIAL MATTERS</u></p> <ol style="list-style-type: none"> 1. The Parish Clerk has previously circulated the accounts to 31st December 2018, which were accepted. 2. The Parish Clerk presented the budget for 2019/20 following a meeting of the Finance Committee. This amounted to £72,120, and included the full running costs of the Community Hall, taking no account of any income that should be received during this period. The Parish Council would like the total precept for 2019/20 to be £43,210 which is very slightly higher than 2018/19. However, as the tax base has also slightly increased since 2018/19 the amount to be paid per taxpayer should remain the same as 2018/19. This budget and precept was proposed by Cllr Horne, and seconded by Cllr McLeish. The Parish Clerk should now advise CDC. 	LFL
23/19	<p><u>CORRESPONDENCE, INCLUDING NOTICES & LEAFLETS</u></p> <ol style="list-style-type: none"> 1. The Parish Clerk advised the Councillors that very near to Christmas she had received a Christmas card addressed to Westhampnett Parish Council from Gillian Keegan MP. She showed the card to all. 2. The Parish Clerk asked if the Notices regarding the Local Plan consultation could be put up on the Noticeboards and provided copies. 3. The Parish Clerk advised that, further to the letter to The Officer to the West Sussex Lieutenancy, Mr. Paul Legrave, asking if the Duke and Duchess of Sussex might care to officially open the new Community Hall, she has received a reply saying that this would be extremely improbable as they are concentrating on specific topics such as women's' issues, young people, disability and sport. The letter advised that the Councillors should explore other possibilities. 	
24/19	<p><u>DEALING WITH LOCAL ISSUES</u></p> <p>Cllr Hardstaff reminded residents that Chichester Priory Rotary Club would be holding the 10k run on February 3rd. There would be notices all around the City, and all profits go to Charity. There would be 1,500 runners.</p>	

25/19	<p>QUESTIONS BY THE PUBLIC: Any resident of the area covered by the Council and present at the meeting may ask questions relating to the business of the Council.</p> <ol style="list-style-type: none"> 1. A resident asked about having another dog waste bin. Cllr Burborough advised that all waste bins can now take dog waste. Several residents and Councillors remarked on the state of the footpath from Maudlin to Westerton as owners are not clearing up after their dogs. The Parish Clerk offered to discuss this again with the Dog Warden who had been very helpful last time. It was agreed that a Bin is needed at Maudlin, location to be finalised, and Bin supplied. 2. Mr Marlow reminded the Parish Council that the deadline for comments in regard to the Local Plan is 7th February. 	<u>LFL</u>
26/19	<p><u>DATE OF NEXT PARISH COUNCIL MEETING: 11th FEBRUARY 2019</u></p> <p>Noted</p>	
27/19	<p><u>CLOSE MEETING</u></p> <p>The meeting closed at 8.55pm.</p>	

Signed.....

Chairman of Meeting

Date.....
